To do this draw, a circle in the middle of your paper, and in the circle write the name of your book. Draw a story map about the book you are reading. Book reports are a thing of the past, and it's time to be innovative and try some book activities that your students will enjoy. If you are reading a poetry book, copy your favorite poem and draw an illustration to accompany it. Beyond books, the Oxford Owl site offers a blog with advice for parents and kids on topics like summer reading and what to expect when school starts. The activities below will reinforce and enhance what your students are currently reading. Choose three sentences from your book and turn them into questions. To be a little bit inclusive, you can ask your student to choose an activity from the list below that they think will go well with the book they are currently reading. Example: Old, nice, funny. Photo Courtesy: Klaus Vedfelt/Getty Images You can also browse by series or Oxford Reading Level. The site even has a section on math.Oxford OwlCreated by Oxford University Press, Oxford Owl offers a free site for parents and children to use at home, as well as a membership version for teachers and schools. Price: At press time, the workbook ranged from \$17.27 - \$19.71 on Amazon. Then, around the title, draw several pictures with words underneath about the events that happened in the story. Draw a Venn diagram. Plus, the lessons are easy to follow and thorough enough that you won't need anything else. You won't find another workbook with such a low price for such a high quality of content. Choose from more than 4,000 titles in approximately 60 languages. Summary: This full color, one-page-a-day workbook combines spelling, vocabulary and reading comprehension strategies for kids who need a full Language Arts boost. You can shop for books in stores, check them out from libraries and even buy them online, but you can also find free or inexpensive digital books for kids online. Photo Courtesy: Catherine Falls Commercial/Getty Images Many of the books are free to read online. I'd wager that most of an adult's day is spent reading nonfiction! Draw two specific scenes from your story and underneath the illustrations, write a brief dialog exchange of what is happening in each scene. Write a letter to the author of your book. Some may require a membership sign-up, but for most of them, you can go straight to the link and start reading.WilbooksWilbooks offers free digital books for kids ages pre-K through third grade and reading levels A through M. Choose three words from your book that you like the most. The home version offers a free eBook library for kids ages 3 to 11, including both fiction and nonfiction. There are math games and phonics guides, and you'll find a selection of activities to do at home, sorted by age and grade level.Storyline OnlineOne of the most well-known sites where you'll find free online books for kids is Storyline Online. Pretend your story is a play. On the left side, write down the name of the character that was the "hero" of the story. Remember to include what he/she looks like and why they are wanted. Evan-Moor Author: Camille Liscinsky Publisher: Evan-Moore Summary: There are over 150 reproducible reading passages and tons of skill-building follow-up questions. If you want to stick to the dozens of free books available, click on the one you like, and it will appear in a pop-up window. Include a few sketches of the main events and dates. Photo Courtesy: Maskot/Getty Images You can even search for books that are from each continent. Why Buy? If cash is an issue for you, then this resource is right on the money. They can also be repeated throughout the year. On the right side write down the name of the character that was the "Villain" of the story. It's perfect for test prep and daily review as it uses both fiction and nonfiction reading passages with follow-up questions that target key comprehension skills. Reading Skills Practice: Finding the main idea, drawing conclusions, sequencing, identifying cause and effect, developing vocabulary, analyzing characters, comparing and contrasting, making inferences, following directions, making predictions, sorting and classifying, and reading for details, making connections and organizing. Under your illustration, write down three reasons someone should read your book. Under their picture include a brief description of that person and what they are most known for. In the middle, write down a few things they had in common. If you are reading a biography, create an illustration of what your famous person is known for doing. Then write down five facts from your book and five things that are fiction. Reading them is as easy as visiting one of these websites. You can narrow the selections down by age, length of book, topic and other categories. This workbook helps kids grasp nonfiction with high-interest topics. First, copy the sentence, then beneath that, write down your questions. MORE FROM QUESTIONSANSWERED.NET However, for a monthly fee or annual subscription, you can receive physical books in the mail and access educational printables. Then explain in two more sentences about the picture you drew. If you sign up for a free account, you can create a virtual bookshelf with your child's favorites so that you can find them easily when you want. If you are reading a biography, create a portrait of the famous person you are reading about. Why Buy? The pages are ready to go for class or home use. Write a brief dialog exchange between the characters. Then, draw lines coming out of the character, and list of the characters traits. Photo Courtesy: MoMo Productions/Getty Images Reading is important for kids of all ages, whether they're reading on their own or hearing stories from teachers, parents and the other adults in their lives. Publisher: Random House, Inc. Try a few, or try them all. It's won several awards, including an Emmy, and it's been endorsed by the American Library Association. Reading Skills Practice: Finding the main idea, using context clues, sequencing, determining cause and effect, making inferences, finding details, and understanding the difference between fact and opinion. Price: At press time, the workbook ranged from \$9.97 - \$15.74 on Amazon. Pretend you are the author of the book. Buy the complete package for a Language Arts work-out for students really struggling. Each book has its own activity guide, and you can buy the books from the site if you'd like to own a physical copy.International Children's Digital LibraryThe International Children's Digital Library has one of the biggest selections of kids' books online. It also includes spelling skills like verb tense and compound words along with vocabulary building skills with suffixes, root words and homophones. Price: At press time, the workbook ranged from \$10.59 - \$15.74 on Amazon. In a brief paragraph, explain what you would change in the book, and why. Draw two or more characters from your story. Was the emerald as green as a blade of grass? Example, Rosa Parks is known for not getting off the bus. Photo Courtesy: Povilas Baltinas / EyeEm/Getty Images However, if you're reading with your child, you may find that you want to work your way through all of the books, even the ones for older kids. Individual, school and classroom accounts are all available. Create a small "most wanted" poster of the meanest character in your book. The good news is that you're on the right track! The following reading comprehension books for third graders can help you help your child with the skills and strategies necessary for comprehending what they've read. Sylvan Author: Sylvan Learning, Inc. Divide your paper in half, on the left side write "facts," and on the right side write "fiction" (remember fiction means it is not true). So you would draw an illustration of Rosa Parks taking a stand on the bus. Draw a picture of yourself on the television talking about the book you are currently reading. Look for titles like Judy Moody, Diary of a Wimpy Kid, Smashie McPerter, Amelia, Stink and more. Find 5 plural (more than one) nouns in your book. You can also sort their books by collection or series. Kumon Author: Kumon Staff Publisher: Kumon Publishing North America, Incorporated Summary: This is another workbook that teachers pre-3rd grade skills. It's especially important for first graders because they're still learning language, and reading helps them understand the sounds and patterns words make. It also has informative videos on topics like getting along with siblings or dealing with bullies. Not only will the full color pages will help keep kids engaged, the skills included should help kids secure those basics they may be missing. If you are reading a biography, make a list of 5 things you learned that you did not know. Make sure to include any questions you have about the story, and talk about what your favorite part was. Reading Skills Practice: Making predictions, understanding vocabulary in context using context clues, finding the main idea, sequencing, identifying problems. Write down the definition, and draw a picture of each word. How can you help him or her become a successful reader? Choose your favorite character and draw them in the middle of your paper. It's an ideal summer solution for struggling readers who are transitioning from second grade to third grade. Reading Skills Practice: Vocabulary Building, Prefixes & Suffixes, Compare & Contrast, Defining Words by Context, Who/When/Where/What/Why/How, Chart the Passage, Sequencing, and Making & Revising Predictions Price: At press time, the workbook ranged from \$3.95 - \$7.95 on Amazon. Include important dates and events that took place in the characters lives. Write down the plural form, then write the singular (one) form of the noun. Example: The emerald was green as a blade of grass. For example, there are books that are Common Core-approved, Spanish language books, joke books, alphabet books and more. The FunBrain site also has games for kids of ages and videos like Kidz Bop, Teen Titans Go! and Highlights Kids. The reading passages are followed by comprehension questions in multiple-choice and short answer format, so kids can feel prepared for standardized tests. If you'd like, you can print out a list of these activities and hand them out to your students. Why Buy? If your child needs Language Arts remediation and gets bored easily with black and white print-outs, this workbook is just the ticket. Be sure to draw balloons to accompany each picture with dialog from the characters. Each title gives a suggested grade level range. Once it does, you can start reading.FunBrainAt FunBrain, you'll find a selection of books for elementary and middle grades, including some of the popular books and series that kids love the most. Houghton Mifflin Harcourt Author: Steck-Vaughn Publisher: Houghton Mifflin Harcourt Summary: This book includes info pages at the beginning of each unit and each lesson provide explicit instructions for teaching the skills. If you need some book ideas, here are a few books that students in grades 3-5 will enjoy reading: Tales of a Fourth Grade Nothing by Judy BlumeCaddie Woodlawn by Carol Ryrie BrinkThe BFG by Roald DahlThe Courage of Sarah Noble by Alice DalglieshEverything on a Waffle by Polly HorvathIn the Year of the Boar and Jackie Robinson by Bette Bao LordThe Secret School by Avi When your third grader just isn't up to par with reading comprehension (you know that he or she is struggling because of a lack of interest in books, poor test scores, and teacher input) what are you supposed to do about it? You literally just have to open the book and begin. Create a comic strip of the main events that happened in your book. The book also includes graphic organizers and correlation charts. Photo Courtesy: Westend61/Getty Images The site is filled with some of the most popular kids' books, and rather than read them yourself, you can watch a video of a celebrity like Kevin Costner, Eva Longoria or Betty White read them to you. Why Buy? Kids are often inundated with fiction, but nonfiction is just as important to read and comprehend, too. Pretend you are the author of the book and make up an alternative ending to the story. Make a timeline of the important events that are happening in your book.
